LinkedIn	Newsletter-style post	Professional summary: "This Week in Global Logistics" with key insights	Text + images

Time to create: 30-40 minutes total

 Creative Ideas for a 12-Year-Old

Easy Content Formats:

- 1. **Stop Motion Videos** - Moving toy trucks/planes to show shipping journey
- 2. **Drawings & Animations** - Simple sketches explaining concepts

3. **Unboxing Style** - "What's in a freight container?"
4. **LEGO Demonstrations** - Build shipping scenes with LEGO
5. **Quiz Posts** - "Can you guess how long this shipment takes?"
6. **Comparison Posts** - "Air vs. Sea shipping" with simple graphics

Safety & Supervision Tips:

- ☒ Adult should review all posts before publishing
 - ☒ Never share personal information or location
 - ☒ Use stock photos when needed (free from Unsplash/Pexels)
 - ☒ Focus on educational and fun content
 - ☒ Keep videos/posts between 30-60 seconds
-

Content Creation Skills to Learn

Week 1-2 Focus:

- Basic Canva templates
- Taking clear photos with good lighting
- Writing short, engaging captions
- Using relevant hashtags

Week 3-4 Focus:

- Creating simple videos (CapCut app)
 - Adding text overlays
 - Using transitions
 - Recording voiceovers (optional)
-

Weekly Checklist

Planning (Sunday):

- ☐ Review weekly topics
- ☐ Gather materials needed
- ☐ Schedule 20-30 min each day for content creation

Daily Routine:

- ☐ Create today's content (15-30 min)
- ☐ Have adult review
- ☐ Post at scheduled time
- ☐ Respond to comments (with supervision)

Weekly Review (Friday):

- ☐ What content performed best?
 - ☐ What was most fun to create?
 - ☐ Ideas for next week
-

Parent/Guardian Support Needed

1. **Account Setup:** Adult creates and manages social media accounts
 2. **Supervision:** Review all content before posting
 3. **Engagement:** Monitor comments and messages
 4. **Resources:** Provide materials (phone, props, printing if needed)
 5. **Encouragement:** Celebrate creativity and learning!
-

Learning Objectives

While creating content, the young creator will learn:

- Time management and consistency
 - Basic marketing concepts
 - Visual communication skills
 - Research and fact-checking
 - Digital literacy
 - Professional responsibility
-

Recommended Free Tools

- **Canva** (design)
- **CapCut** (video editing)
- **Unsplash/Pexels** (free images)
- **Phone camera** (photos/videos)

- **Notes app** (caption planning)

Remember: Keep it fun, educational, and age-appropriate! The goal is learning while creating valuable content.
